## Integrated Power Supply 100W

Product code: VU27-211X  
 Watt: 100W  
 Voltage: DC 24V  
 Material: Aluminum + Copper  
 Product Size: 222 x 25 x 29 mm

Colors: Black - White

## Integrated Power Supply 200W

Product code: VU27-311X  
 Watt: 200W  
 Voltage: DC 24V  
 Material: Aluminum + Copper  
 Product Size: 330 x 25 x 29 mm

Colors: Black - White

## Cable Box

Product code: VU27-DYI  
 Material: Aluminum + Copper  
 Product Size: 100 x 25 x 29 mm

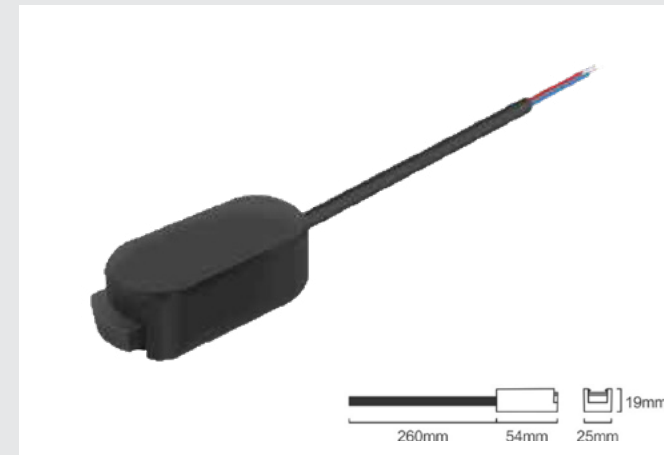

Colors: Black - White

## Cable Box

Product code: VU27-DYI  
 Material: Aluminum + Copper  
 Product Size: 100 x 25 x 29 mm

Colors: Black - White

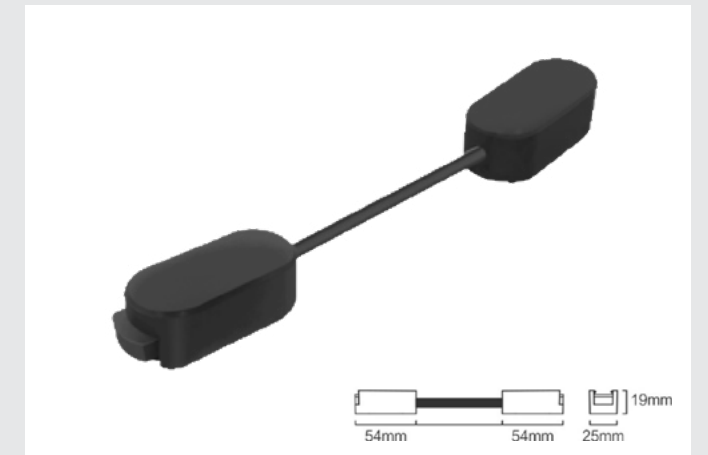

## Input Module

Product code: VU27-TSNL  
 Material: Aluminum + Copper  
 Product Size: 54 x 25 x 19 mm

Colors: Black - White

Should be connected to an external transformer to supply the track system bar with power.

## Direct Power Module

Product code: VU27-AK / SK  
 Material: Aluminum + Copper  
 Product Size: 54 x 25 x 19 mm x 2

Colors: Black - White

Used to transfer energy between two track system bars.
